

Realizing Ambition

Tuesday 10th January 2017

Dear Sir/Madam

Cygnus Academies Trust is an organisation devoted to improving the life chances of children and families in the area so as to give them an education that was previously the preserve of privilege. The lead Academy of the Trust is a very successful local Primary School in Swanscombe. We wish to bring our drive and ambition to bring exceptional educational opportunities to the children in the Northern Gateway area of Dartford by opening a new Primary Free School, a local School for local people. Our proposal would be to open the school with a specific emphasis on developing Science and Technology and Music so as to give pupils every opportunity to develop skills and knowledge which will give them an educational advantage when applying for secondary schools and in the world of work beyond.

We would be very grateful if you could answer the following questions:

- 1 Would you be supportive of a Primary School established by Cygnus Academies Trust following the vision above? Yes/No
- 2 If so, why do you think it would be a good idea to establish a Primary School?

Please complete the survey monkey questionnaire on line at:

<https://www.surveymonkey.co.uk/r/CY9NY68> or return a hard copy to the school office at Manor Community Primary School by Wednesday 18th January 2017.

Yours faithfully

D Lloyd

Executive Head Teacher and CEO
