

Dear Parents and Carers,

Focus Groups at Westgate Primary School

A local secondary school, Dartford Science & Technology College (DSTC), would like your views. Senior leaders at the school want to hear from primary school pupils, parents and staff with regards to what they are looking for in a secondary school, their perceptions surrounding DSTC and key improvements to be made to ensure the school matches their expectations.

These focus groups provide will provide the school with an effective way of gaining open and honest feedback. Please be assured that anything that is said will not be attributable to any individual, though the content will contribute to a final report.

We would therefore like to invite you to take part in a focus group to be held at Westgate Primary School on 15/11/16 at 9.30 am.

We would like to thank you for your co-operation and look forward to meeting you. If you are able to attend then please let the school office know.

Yours sincerely,

Chris Bloor
