Dear Parents & Carers

Since becoming a Multi Academy Trust, we believe that we should take advantage of the opportunity to apply to the Department for Education to open a new primary free school. There is going to be ongoing demand for new school places in the area for some years to come and the proposed school would be an academy and we would aim to open it in the Dartford area in September 2018. We wish to formally ask the parents at Manor Community Primary School and Westgate Primary School two questions;

1. Would you be supportive of a Primary School established by the Cygnus Academies Trust following a similar vision to that of Manor and Westgate Schools?  
YES / NO
  
2. If so why do you think it would be good idea to establish a Primary School?

Please write your response here:

Please complete the survey monkey questionnaire on line at:  
<https://www.surveymonkey.co.uk/r/F5G5XL8> or return a hard copy to the school office by  
Thursday 22 September 2016.

Yours faithfully
