Dear Parents and Carers

PERMISSION FOR TRIPS

Occasionally we like to take children on trips or walks around the local areas and places of interest as part of their lessons. These are short trips and take place during the normal school day. Instead of asking your permission for each of these trips individually we would like you to give permission on one document.

You will always be notified when any trips are taking place, and there will be a separate permission request for trips involving transport which are further away.

Examples of trips/visits are to local churches, walks to look at local buildings, trips to the supermarket, Dartford Museum and the Library. Your child will not be able to participate in these trips without your consent.

Please return the attached permission slip to the school by as soon as possible

Yours sincerely

Mr D Terry

Head of School
