### What this film is about:

This is about a boy called Hiccup who lives in a village with very powerful dragons everyone else kills dragons except Hiccup because he wants to train them. He meets a dragon called Toothless.

### My review of this film:

I loved the film because it had great ideas and fierce dragons. I loved the characters because they were brave and scary. My favourite part was when Hiccup and the girl flew over the gloomy sky. I did not like the bit when the dragons attacked Hiccup, Toothless and the girl. I would definitely recommend to a friend.

My score for this film is:        10/10
