What this film is about:

Is about a boy who is a Viking and his dad wants him to kill a dragon but he refuses to do it because he meets a dragon and realises that he likes dragons.

My review of this film:

I really enjoyed watching this film. My favourite part was when the boy called Hiccup was training his dragon called Toothless. The part of the film I enjoyed least was when the really scary dragons head popped out of the hot, smoky, fiery volcano and the dragon tried to eat all the smaller dragons. I think I would recommend this to a friend because it is so enjoyable.

My score for this film is: 10/10
