What this film is about:

Cavemen with a modern day twist to it.

My review of this film:

I thought that this film was really funny as it had references to modern day life. I really liked the part when Eve tried on a new pair of shoes as I like to get a new pair of shoes so I could identify with her character. I would recommend this film as it is really funny and I loved it.

My score for this film is: 10/10
